school. So instead, he went to plane school and became a pilot. After 4 years of plane school and 6 years of being a pilot, John finally raised enough money to go to train school. He went to train school for 2 years and graduated in the lower half of his class. When John got his first job as a train conductor, he was cautious to follow the rules. After his first year of that job, he was not so cautious about the rules. He was going super fast, as fast as the train could go, until there was a bump. John had run over and killed a person! He was sentenced to death by electric chair and for his last meal, he had one banana. They put him in the electric chair, strapped him in, and turned it on. It sparked and sizzled, but nothing happened to John. He went back to work, but since he killed a person, he had to find a different company to work for. On the first day of his second job, he was going super fast, as fast as the train could go, until he ran over and hit two people. He was sentenced to death by electric chair and for his last meal, he had two bananas. They put him in the electric chair, strapped him in, and turned it on. It sparked and sizzled, but nothing happened to John. He went back to work again at another different company and he was going super fast, as fast as the train could go. But then he ran over and killed four people. He was sentenced to death by electric chair and for his last meal, he had nothing. They put him in the electric chair, strapped him in, and turned it on. It sparked and sizzled, but nothing happened to John. The government official running the chair had enough.

"Why aren't you dying? You didn't have any bananas this time!", he screamed.

"Oh!" John replied. "You thought it was the bananas? I'm just not a very good conductor!"

Chapter 5 by Worlds

Why does a flamingo stand on one leg?

If it didn't stand on any, then it'd fall over.

If you ever get cold, just stand in a corner for a bit, they're usually around 90 degrees.

I dreamt I was eating a huge marshmallow, when I woke up, my pillow was gone...

Doctor: "I'm sorry but you suffer from a terminal illness and have only 10 to live."

Patient: "What do you mean, 10? 10 what?! Months?! Weeks?!"

Doctor: "Nine."

My dog used to chase people on their bikes, so I had to take his bike away.

Doctor: "Hello, did you come with me?"

Patient: "Yes, how can you tell?"

Doctor: Because you came in through the window instead of the door.

Police officer: "Can you identify yourself, sir?"

Driver pulls out his mirror and says: "Yes, it's me."

I'd like to buy a new boomerang, please. Also, can you tell me how to throw the old one away?

A husband and a wife sit at the table, having dinner. The woman drops a bit of tomato sauce on her white top. "Dang it, now I look like a pig!"

The man nods, "And you dropped tomato sauce on your top!"

Chapter 6 by  Serendipity  - Not very active as much...sorry

Why can't you hear a pterodactyl use the bathroom? Because the "p" is silent.
